The Chairman explained that all the Policies had been reviewed during the year and SALC model policies had been adopted where required. These had been unanimously agreed.

- i. Standing Orders – it is anticipated that revised model Standing Orders will be available following the introduction of GDPR.
- ii Data Protection Policy and Freedom of Information Publication Scheme – both will be reviewed as further amendments are required.
- iii. Register of Interests – this should be updated on an ongoing basis. Councillors were asked to review their entries at the meeting and the Clerk will update the master list accordingly.

Cllr Sugden explained that as a result of the Interim Audit in December Mark Mulberry noted that the tender limit in Standing Orders and Financial Regulations has been set at £5,000 in both documents however in the Financial Regulations para 11.1F a figure of £60,000 is mentioned.

Mr. Mulberry commented that the formal tender limit being set at £5,000 is low compared with other councils and Council may want to consider changing this to reduce the administrative burden of the formal tender process. Most Councils opt for levels along the lines of the following:

- Up to £1000 – best value for money sought
- Between £1000 - £25000 – three quotations sought
- Over £25000 – formal tender process

Mr. Mulberry's recommendation is that an alignment in financial regulations could be considered.

RESOLUTION 1

It is **Resolved** that the formal tender limits in both the Standing Orders and Financial Regulations are amended to:

- Up to £1000 – best value for money sought
- Between £1000 - £25000 – three quotations sought
- Over £25000 – formal tender process

Proposed: Cllr M. Sugden

Seconded: Cllr G. Herbert

Cllr Chilcott objected to the Resolution on the basis that insufficient time has been allowed for Councillors to note where the changes will occur and the impact these changes may have. It was agreed therefore to defer this item to a future meeting

Following the discussion at the meeting held on 8th March 2018 Agenda item 142 Resolution 7 it was agreed to provide funding up to £1,000 to ensure that the Council complies with the new General Data Protection Regulations effective from 25th May 2018. It was agreed before the May meeting the Council endeavour to engage a DPO.

Although it is now anticipated the new Regulations will NOT require Parish Councils to engage a DPO but will still be required to be compliant with GDPR. It was agreed that in order to provide the Clerk and Councillors with the required information to enable the Parish Council to become compliant that a DPO would be engaged for at least one year. The cost of this service is £150 per annum.
