2022/2527	22 The Parade Claygate Esher Surrey KT10 0NU	Extractor unit at rear.	<p>No Objection with Comment. This shop currently has an A1 use class. 9 **EBC Planning Committee Meeting Report.**

The Clerk had circulated an email from John Bamford to Cllrs ahead of the meeting. It noted that this week's EBC Planning Committee held on the 6th September 2022 had contained an agenda item that could impact the decision making process for CPC as well as the number of occasions residents wish to speak at CPC Planning Meetings. EBC Cllrs were asked to vote on 2 Options for how publication of representations on planning Applications would be processed going forth: -

- Option 1: Involves redaction of names and addresses for all comments from residents submitted to EBC. CPC would no longer be able to see whether comments arise from neighbours or anyone else. All public comments would be removed from the EBC website once a decision has been made. It also implies that submissions from CPC where CPC is not listed as a Consultee may be removed from the website once a decision has been made
- Option 2: Involves all public comments on Planning Applications being made available to the Case Officer, but not on the EBC Planning Portal. CPC would no longer see objections or observations. It may result in CPC submissions not being shown on the EBC Planning Portal when CPC is not listed as a Consultee. Finally, it may result in an increase in the number of occasions that residents wish to speak at Planning Meetings who would also be unaware if others had made comments or objections.

20h18 Cllr Sugden returned to the meeting.

The Committee noted that at the 6th September 2022 EBC Planning Committee, EBC Cllrs had voted for Option 2 and that the EBC Planning Department had announced that the next step would be to have a Public Consultation to confirm that this is a change they are making, rather than to seek comments on proposed changes.

(Equality Impact Assessment) + Cllr Grose raised the issue of whether one should have

It was **unanimously agreed** that the Clerk write to the EBC Head of Planning noting the following:
CPC are a statutory consultee and part of the formal decision making process for Planning Applications in Claygate. CPC have noted the debate held at the EBC Planning Committee on the 6th September regarding the proposed change to the publication of representations on Planning Applications and the conclusion reached. CPC ask the following: -

- What the implications for CPC?
- Given Case Officers and EBC Cllrs will still see material CPC's expectation is that Planning Committee members will also have visibility.
- When will the Consultation on Option 2 take place and what will the nature of it be?
- Request examples of how other Parish Councils work with Borough Councils where Borough Councils have adopted the Option 2 approach.

been included and could have impacted.
