

# Elmbridge Police Update

I wanted to update you on some exciting changes taking place in our local Neighbourhood Team.

After 15 years working in Claygate, PCSO Jasmine “Jazz” Reed will be moving areas to work in Walton on Thames.

During her years in Claygate, Jazz has achieved so much with the local community through all the partnership work she has done. I have seen first-hand how Jazz is extremely well known, valued and loved by the community. I am keen to support the ongoing development of all my staff through providing new opportunities to further their policing skills.

I am eager to utilise Jazz’s enthusiasm and skills to strengthen links between the police and local residents, businesses and faith communities in Walton, as she has done over the years in Claygate.

Over the next few weeks Jazz will be working alongside PCSO Vicky Holdaway to introduce her to the Claygate community to ensure a seamless handover as Vicky prepares to work in the area. Together with your two local police officers, Chris Smith and Latia Suen, and the wider neighbourhood team, we strive to keep our communities in Elmbridge safe.

Stay safe!
