9. Consultation on Local Validation Check List.

Consultation is due by 30th July. There are only 4 questions but there is a substantial body of information to review. Cllr Bamford has briefly scanned the new validation check list but recommended that this item is carried forward.

10. Report on the East Area Sub-Committee Meeting

i) 2016/3733 61 Telegraph Lane – installation of antenna for amateur radio purposes. Claygate Parish Council objected on the grounds of DM2 (loss of visual amenity).

The application was approved subject to key conditions:

- a) install screen planting and
- b) antenna should be removed when redundant or has not been used for over 1 year and
- c) mast and antenna to be painted ‘sky grey’ within 2 months of installation.

11. Licensing applications

There are no new applications in Claygate.

12. Enforcement issues

There appears to have been no movement on these 3 issues:

- i) 70 Common Road: It was noted that the shed erected in the front garden during building work is still there although work is required to be completed and the shed removed by 5th June.
- ii) 2014/3773 1 Caerleon Close. No work has restarted on the site
- iii) 2017/1150 Little Squirrels, Ruxley Crescent. The plastic foliage itself has been removed however the posts that supported it are still in place along with the wire that stretches between the posts that was used to support the plastic foliage. Enforcement officer had been unaware of the situation and will be moving the matter forward. No action to date.

The Clerk will contact the Enforcement Officer at EBC again. **AP8**

New issues:

- iv) The Oaks, The Causeway (corner of Causeway/Cornwall Avenue). There has been an increase in the height of the fence surrounding this property and a larger car port with plastic roof erected. The Clerk will contact the Enforcement Officer at EBC and ask for this to be investigated. **AP9**

v) Parking on the Grass Verge in Common Road.

It is noted that houses 9A, 11, 15 and 21 are using the grass verge as parking spaces. In the case of 21 a hedge has been grown on the grass verge to create a parking space.

It was agreed Cllr Bamford should pass this issue to the Highways & Transportation committee for their consideration. **AP10**

Nothing to report other than Cllr Herbert has agreed to write an article about Enforcement. The next copy date is 3rd August

Appendix A

Planning Applications Decided for weeks ending 9th, 16th & 23rd June

15 Applications were decided.

These included 3 LDCs, 1 Non-Material Amendment & 1 Confirmation of Compliance where there is limited scope for Planning to comment or object.

Planning Committee agreed with EBC on 12 decisions.

The Applications where CPC did not agree were:-

2018/1114: 1 Foley Cottages High Street Claygate Esher Surrey KT10 0JW
Claygate Village Conservation Area - Fell 2 x Ash.

CPC objected to the felling of the trees but stated that lesser works would be acceptable.

EBC granted approval. One of the Ashes had already received approval to be felled in the past, but this work had not been done within the assigned time limit. The other Ash had been recommended to be protected by a TPO, but the application for this status had not been carried out within the required time limit. The Case Officer did revisit the site with another Tree Officer to provide a second opinion after concerns were raised about the decision. Subsequently a detailed and reasoned explanation was provided for the decision to permit the trees to be felled.

2018/0824: 95 Coverts Road Claygate Esher Surrey KT10 0LL

Part two/part single storey rear extension and new front porch following demolition of existing rear projection.

CPC did not object but raised concern about the closeness of one tree to the proposed extension.

Subsequent to this comment the tree was felled.

EBC refused permission on the grounds that the scale, design and materials do not pay regards to the host dwelling contrary to policies DM2 and CS11.

2016/3733: 61 Telegraph Lane Claygate Esher Surrey KT10 0DT

Antenna for amateur radio purposes

CPC objected.

East Area Planning Subcommittee approved the Planning Application subject to 3 key conditions.

Other Applications of Note

2018/1233: Claygate House Littleworth Road Esher Surrey KT10 9PN

PD Prior Notification: Change of use from Offices (B1a) to Residential (C3).

The decision notice clarified that applications for Prior Approval are determined by delegated authority in accordance with regulations regardless of the number of objections.

Appeals Lodged and/or Decided since last Planning Committee Meeting

One Appeal has been lodged.

2017/4129: 7 Oaken Lane Claygate Esher Surrey KT10 0RG

Two-storey side extension following partial demolition of existing house.

EBC refused permission on the grounds that the scale, height bulk and mass in close proximity to the side would dominate the entrance to Derwent Close causing harm to the character of the area.

The Appellant has cited other corner plots that have been given permission.
