PLANNING APPLICATION – 2026/1566

2 The Parade, Claygate

Claygate Parish Council OBJECT to this retrospective application.

The fundamental errors in the Application Form are:

- Question: Is a new or altered vehicular access proposed to or from the public highway?
- Answer: No (which is clearly incorrect as the description of work specifically mentions “widening of curb”)
- Question: Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces?
- Answer: No (which is clearly incorrect as the description of work specifically mentions “creation of five parking spaces”)
- Question: Are there trees or hedges on land adjacent to the proposed development site that could influence the development?
- Answer: No (which is clearly incorrect as the Proposed Site Plan shows the root protection area for a nearby mature tree extends into the proposed site)”

Kind regards
